A warm welcome back to Dan, who embodies all that is good about folk music. Hailing from Canada he has warmth of presentation that is truly extraordinary, a superb voice talent as a guitarist and is, simply put, superb.

His songs encompass traditional and contemporary sources, his own material and the work of Stan Rodgers who he champions and keeps very much alive. This will be an inspired evening with lots of outstanding choruses.

Our singer's nights are open to all performers & listeners, with limited Floor Spots on guest nights. We actively encourage new performers at all times. Whilst firmly anchored in the tradition we are open to all types of acoustic music.
